

SWIMLIFE

SWIMSPAS

FOR AN EXTRAORDINARY LIFE

Your SwimLife™ Starts Now

Your Style. Your Swimspa.

SwimLife™ swim spas are ideal to get in shape or keep fit in the comfort of your home. They are easy to install, require minimal maintenance, and can be used all year long! Two collections have been designed to meet different user requirements: SwimFit, ideal for families. SwimExpert, for very demanding users looking for professional performance.

Designed to offer the ultimate benefits of a swimspa: you will never have to turn, touch the walls or push yourself forwards! The current offers you optimal swimming conditions suitable for any fitness level. The large inside surface and the non-slip base are also perfect for aqua fitness. Thanks to the current that can be adjusted to suit the desired intensity of your session, it's ideal for training. Our swimspa is safe and a great environment to teach children how to swim.

Life is not about
finding oneself.

It's about
creating yourself.

SwimFit

Fit for life's experiences.

The Ideal Universal Aquatic Gym.

With a generous streamlined swim tank area and a flat ergonomically designed anti-slip floor that allows for a variety of fitness exercises. Creating the ideal training environment with a fully adjustable current, you can control your workout intensity. Additionally, the swimspa is a safe and easy environment in which to teach your children how to swim.

The Watch That Watches You!

- W:** Wear your coach on your wrist.
- A:** Analyze your performance.
- T:** Track your distance.
- C:** Compete against others.
- H:** Heart rate training with vibration feedback.

SwimBoost Pump Design

- One 5hp SwimBoost pump
- Producing up to 360 Gallons per minute per jet
- One 3hp buoyancy pump

AquaFlex Jet Technology

- Two AquaFlex swim jets
- Oval design flattens the water for a smoother swim

AquaChannel Shell Design

- No reflective wave
- Keeps swimmer in swim lane
- Largest unobstructed swim tank
- Stabilization hip jets

Variable Current

- JetFlex swim system
- 3.5 mph / 5 kph
- Adjustable speed
- Vary flow of water and adjust the intensity

SwimExpert

Bringing your swim to life.

Experience an Extraordinary Swim.

Designed to bring your swim to life with proven technology, imagine never having to turn, touch or push off from any wall.

The swim current is as natural as nature itself and provides you the ability to focus on your stroke and enjoy the fluidity of the swim current adjusted to your personal swim level.

The Watch That Watches You!

- W:** Wear your coach on your wrist.
- A:** Analyze your performance.
- T:** Track your distance.
- C:** Compete against others.
- H:** Heart rate training with vibration feedback.

SwimBoost Pump Design

- Two 5hp SwimBoost pumps
- Producing up to 360 gallons per minute per jet
- One 3hp buoyancy pump

SwimChannel Shell Design

- No reflective wave
- Keeps swimmer in swim lane
- Largest unobstructed swim tank
- Stabilization hip jets

AquaCurrent® Jet Technology

- Two patented AquaCurrent® swim jets
- AquaBlades shred the vortex created by the pump
- Wider, deeper and smoother current than any other system on the market
- Buoyancy jet backlit to light the swim current

WaveRider Current Control

- 0 - 10 Kph (0 - 6.2 mph)
- Allows the user to vary the flow at the touch of a button
- Adjustable to the level of the swimmer from novice to triathlete
- WaveRider standard on all SwimExperts

Enjoy Life.

SwimLife™ is all about changing how the industry sells and promotes swimspas. Determined to improve the lives of our customers with the promise of leading edge technology and offering a different approach to owning a SwimLife™ Swimspa. We want to be seen as the brand spearheading innovations in swimspa technology, like our hydraulically balanced plumbing which ensures the correct water pressure to the hydrotherapy jets or the WaveRider control. That offers the user finger tip control of the swim current from inside the swim area. Swimlife™ is in the swimspa business for life and the only way to ensure success is to produce, offer and innovate the highest quality swimspas possible.

SwimLife's Aquatic Cross Training Programs

Brings the traditional gym workout into the backyard with the added benefits of water. These are low impact aquatic exercises that will deliver a big difference in your overall fitness. Exercises using water pressure in a swim spa puts less strain on your heart by moving blood around your entire body.

1) WORKOUT IN THE CONVENIENCE OF YOUR OWN HOME

- You choose when to workout.
- Easy to use – No complicated machinery.
- Work out with privacy.

2) LOW IMPACT - HIGH INTENSITY TRAINING. EASY ON YOUR BODY

- Strengthen your muscles.
- Improve Cardio Fitness.
- Doesn't subject your body to the wear and tear of high impact.

3) MADE TO MEASURE FITNESS: GREAT WORKOUT. REGARDLESS OF YOUR FITNESS LEVEL.

- From beginner to advanced
- 5 Ready made programs for you to try.
- Training Guide included with every swimspa.
- The options are endless.

6) WATERWATCH®: REAL TIME HEART RATE TRAINING WITH VIBRATION FEEDBACK

- Track your Heart Rate.
- Choose your Fitness Zone.
- Analyze your results.

5) EASY TO USE: BUILT IN TREADMILL TECHNOLOGY

- Ability to change speed at the touch of a button.
- High intensity training in a low impact environment.
- Workout against the current.

4) PROGRAMMABLE: A TRUE FULL BODY WORKOUT

- Provides Equal resistance through a full range of motion.
- Helps balance out muscle groups.

Massage

The Swimlife™ Swimspace Massage is like no other in the Industry.

There are 3 areas that make up a great massage. The jets, the jet placement and the seating. The combination of these three aspects set the industry standard for hydrotherapy in a swimspace.

The Perfect Mixture of Water and Air

E-CLASS JETTING

- Exclusive e-class jets use a perfect mixture of air and water
- Designed to give a balance between a deep and soft tissue massage

Jet Patterns are Ergonomically Placed

JET PLACEMENT

- Designed to work different muscle groups
- Arranged in a pattern to give superior hydrotherapy benefits

Ergonomically designed seating

COMFORT WITH YOU IN MIND

- Multi Level seating for people of different heights
- Recessed jetting

Filtration

Bring a New Meaning of Clean to Life with the ClearStream Filtration System.

Experience the clean, clear micro-filtration system of SwimLife™. With its unique dual filtration technology you can be assured that our swimspas will provide you with a clean and safe aquatic experience.

Dual Filtration

- Located on either side of the swimspa
- The flow directs debris and oils towards the side of the swimspa for removal by the dual skimmers
- Increases flow rate of water to the pumps

Dual Skimmers

NO NEED FOR SKIM NET

- Pulls any debris off the surface water of the swimspa
- Less time cleaning
- More time swimming

Dual Strainer Racks

- Traps large debris before it gets to the pump
- Less time cleaning the filter
- Extends cleaning cycles

100 Sq. Feet of Filtration

- 2 x 50 square foot filters
- Easy access
- Out of contact and sight of the user

Mineral Based System - ClearStream

1) Natural:

- ClearStream significantly reduces the need for chlorine or bromine
- Minerals are commonly found in drinking water and provide several health benefits

2) Convenient:

- Once the ClearStream system is turned on, there is no regular maintenance or service required
- Every ClearStream system is electronically calibrated at the factory so the output is set for each specific SwimLife Swimspa model

3) Unique:

- Copper: A natural algacide.
- Silver: A natural sanitizer.
- Zinc: A natural water softener

4) Oxidize:

- The addition of an ozonator completes the system

Thermalmax™ Heat Management System

A SwimLife™ Swimsa is Designed for Year-A-Round Enjoyment

Life does not end with the onslaught of winter. The engineering that goes into our SwimLife™ swimsa ensures 365 days a year use and enjoyment. You might feel inclined to spend the winter hibernating but one doesn't invest in a great quality swimsa just to have it closed all winter, right? In fact wintertime is the most pleasurable season to use your swimsa. Immerse yourself in the benefits of an all season swimming pool, hot tub and exercise pool - all in one, right in your own backyard.

Northern HeatSync Blanket

MADE FOR THE HARSHTEST CLIMATES

- Reflects the waste heat of the pumps back into the swimsa
- Increases insulation value
- Decreases the need for the swimsa heater

High Temperature Surface Insulation

WRAPS THE SWIM TANK

- Foam covers shell and plumbing of the swimsa
- Helps the swim tank retain heat
- Great R-Value*

* The capacity of an insulating material to resist heat flow. The higher the r-value, the greater the insulating power.

Stormshield Hardcover

FOR ALL WEATHER SWIMSPAS

- Safety locks on all sides
- Locks heat in – keeps cold out
- Heavy duty tapered safety locking cover

Heat Retention System

USING THERMALMAX TECHNOLOGY

- Creates a convection oven in the cabinet
- Utilises the waste heat that the motors create
- Black plumbing (pipes) absorb the heat created by the swimsa motors
- Insulated Floor

Thermalmax Vents

TELESCOPIC VENT CONTROLS

- Lock the heat in during fall and winter
- Let the motors breathe in the spring and summer
- Maximise energy efficiency for any season

The Dual Stream Swimspa...
The Life of the Party.

Personalise Your Swimlife™ Swimspa.

Shell Options

Solid State Frame

Perfect For Any In-Ground or Indoor Installation.

The solid state frame provides a sturdy framework for any customer to attach the decking or stone work material to finish the project.

Everlast Cabinet Options

Above Ground Installations Never Looked So Good...

with a SwimLife™ cabinet in either one of two colours. Whether it is a stand alone swimspa or one built into a deck, the SwimLife™ swimspa is a perfect addition to any backyard.

Swimstream Surround Sound System

Swimspa's surround sound includes a waterproof MP3/Bluetooth integrated into the topside control. Proprietary circuits automatically prevent distortion at high volumes. With 180 watts total power, a custom EQ optimizes sound and automatically adjusts the various frequencies. Also includes a powerful 100W amplifier, 2 marine grade premium 3-way pop-up hydrosurround sound speakers and a powerful sub woofer. Use Bluetooth feature to sync with your device.

Galaxy Lighting Upgrade

This upgrade to LED lights offers strategically placed lighting that illuminate all of the top mounted control valves. They are brilliantly colored and sequenced through a range of colors when turned on or can be locked onto one preferred color. These lights are also complemented by LED lights that illuminate the waterfall jet(s) discreetly from behind.

Floating Cover With Tie Downs

Keeping your swim spa warm and ready for spontaneous usage while conserving energy and staying secure to prevent unwanted debris from entering your swimspa.

Insulating Safety Hard Cover

This hard cover option is made from durable marine grade vinyl, when installed in the closed position it completely seals the top of the swimspa for improved energy efficiency.

Auxiliary Heater By-Pass Loop

When your installation calls for an auxiliary heater, our swim spas can be built with special plumbing that will easily and reliably allow for addition of the heater. (Includes all of the required plumbing and a check valve for performance and safety).

Northern Insulation Package

For those who live in colder climates the Glacier Tech Insulation Package with its additional foam insulation ensures better all-around energy efficiency and is worth the investment.

SwimSync App

A smart phone app that is designed as a wireless swimspa control that allows you to pick the water care settings to suit your schedule, adjust filtration, temperature settings and create the ideal swimspa experience from any where in the world.

** May not be exactly as shown and smart phone not included.

Ez Ultra Pure Ozonator

When mixed with water, ozone is a highly effective oxidizer that assists in removing unwanted contaminants from the swimspa water.

Aquatic Rowing Kit

Is a combination of stainless steel oars and resistance bands that attach to swivel anchors allowing you to do the full rowing motion.

48" Wall Mounted Exercise Bars

These can be mounted within the interior of the swim spa and is intended to act as a stabilizing bar for stretching and various other activities. Alternately, the wall mounted exercise bar can be installed on nearby walls for safety purposes as well.

Ask your dealer for more details regarding the options available

Introducing...

The Swim Spa WaterWatch®

How It Works:

To operate the WaterWatch all you need to do is rotate and tap screen. The watch is not a touch screen. For example; all you have to do is rotate your wrist to change speed levels.

Just W.A.T.C.H. & Learn...

W: WEAR YOUR COACH ON YOUR WRIST

Watch your results in real time at any time by pausing your workout at anytime.

A: ANALYZE YOUR PERFORMANCE

Swim Logbook: Simple charts and detailed views of the training sessions are always with you in a dedicated mobile app for Android and iOS.

T: TRACK YOUR GOALS

Your pulse, your distance covered, your calories burned, your time and your pace. You can set your own goals with personalized customization.

C: COMPETE AGAINST OTHERS AROUND THE WORLD

Post your results to worldwideleaderboard, share your results with any Social Media Apps (Like: Facebook, Google Fit).

H: HEART RATE TRAINING IN REAL TIME "WITH VIBRATION FEEDBACK"

Set your Target Heart Rate based on the fitness goals you would like to achieve. The WaterWatch then keeps you in your target heart rate Zone by vibrating telling you to speed up or slow down.

The Watch That Watches You.

Timing Is Everything!

The Clear Choice.

ClearStream is the World's Only Mineral-based Water Purification System that uses Nature's way of Purifying Water.

SwimLife offers the most efficient water purification system in the world to make life simpler.

1) Natural:

- ClearStream significantly reduces the need for chlorine or bromine
- Minerals are commonly found in drinking water and provide several health benefits

2) Convenient:

- Once the ClearStream system is turned on, there is no regular maintenance or service required
- Every ClearStream system is electronically calibrated at the factory so the output is set for each specific SwimLife Swimspa model

3) Unique:

- Copper: A natural algacide.
- Silver: A natural sanitizer.
- Zinc: A natural water softener

4) Oxidize:

- The addition of an ozonator completes the system

A woman with her hair in a ponytail is seen from behind, standing in a swimming pool. She is holding a black resistance band with both hands above her head. The band is attached to a red cable that extends across the top of the frame. The pool's white edge is visible, and the water is clear blue. The background is dark with a bright light source in the upper right corner, creating a lens flare effect. The overall mood is one of active wellness and determination.

Life Is What You Make It.
